

Saturday Night's Circus.

A full house greeted the circus people Saturday night, upon their return from Kauai. The performance was a great improvement on those given previous to the trip to the Garden Island. Charlie Williams has learned several new tricks and every member of the company did better than heretofore. The animals, too, are in perfect training and everything works smoothly. Tonight another performance will be given at the same grounds, near the depot, at which several new features will be introduced and a trick pony, never exhibited before, will be put through his paces. Probably this will be the last performance given for some time, as Mr. Price is expected back this week with a lot of first class people and it will require some time to arrange the new bills.

Funeral of J. G. Hoapili.

The funeral of the late J. G. Hoapili, who died on Friday evening, took place yesterday afternoon from the Mormon church, the services being conducted by G. J. Waller. The deceased was 63 years of age and had served as district judge and member of the Legislature from Kona for several years. He was a friend of the late Kakaia and enjoyed the respect of all, being an honest and upright citizen. Attorney-General Smith represented the government at the funeral and the band was in attendance.

Honolulu's warm climate is conducive of thirst to a greater degree than that of a colder zone. The average business man loses also, to a degree, the amount of energy and nervous force common enough in the bracing air of American cities. These two phases of our climate make it more necessary than elsewhere to stimulate the system with an invigorant. No more healthful or purer stimulus, or one more delightful to the palate, can be found, than Pabst Milwaukee beer. It is a delicious drink and is constantly on draught at the Cosmopolitan, Pacific and the Royal.

Erysipelas in the Face

Nearly Blind, But Perfectly Cured

Health, Appetite and Strength Renewed by Hood's Sarsaparilla.

"C. I. Hood & Co., Lowell, Mass.:"

"Hood's Sarsaparilla is splendid. I had long been troubled with erysipelas, and three times had it in my head and face. I became nearly blind and my hair all came out. My husband wished me to try Hood's Sarsaparilla. I only took three bottles before

I was free

from my old-time trouble and long sufferings. It has never returned until last winter while I was ill with the grip, a slight attack broke out on my face. After my sickness I was not well; became easily tired and lost my appetite. I resumed taking Hood's Sarsaparilla and am now using the fourth bottle and can run up and down stairs as spry as ever. The tired feeling is gone and I have a good appetite." Mrs. Wm. E. Hartinger, Olive Ridge, New York.

MRS. L. A. BRENTNER.

Crazed with Pain.

Mrs. Brentner Completely Prostrated

Every Month with Nervous

Headache.

Heart-felt Praise for the Medicine

That Cured Her.

Thousands of women are today blessing Paine's Celery Compound for the great good it has done them, and scores have written letters similar to that of Mrs. L. A. Brentner.

SAN JACINTO, CAL.

Dear Sir:—I have suffered severely with nervous sick headaches, with which I was troubled every month. The pain was so severe that it completely prostrated me and it seemed to me that I should go crazy. I had tried all kinds of remedies without obtaining

any permanent relief until I used Paine's Celery Compound which completely cured me.

Mrs. L. A. Brentner

J. M. BUCHNER.

The Medicine That

Makes People Well!

Why suffer longer with liver and stomach trouble? Paine's Celery Compound will make you well. Read how it cured Mr. J. M. Buchner.

KETTLE FALLS, WASH., Dec. 9, 1894.

Gentlemen:—I have taken only two bottles of Paine's Celery Compound for rheumatism, and liver and stomach troubles, and will be frank in saying that I am well pleased with the results. I used one bottle and was so much better that I abandoned its use for a time, but my old stomach trouble made its appearance again. I procured another bottle in September and after using that I felt well.
